**Head Teacher**  
Mr Brian McDermott

Friday, 13<sup>th</sup> February 2026

Dear Parent/Carer,

I hope my letter finds you and yours well.

### February Mid-term Break

A reminder that next **Monday, 16<sup>th</sup> February** and **Tuesday, 17<sup>th</sup> February** are holidays. Schools will be closed.

Additionally, **Wednesday, 18<sup>th</sup> February** is an in-service day for staff, so schools are closed to pupils.

**School returns for all pupils on Thursday, 19<sup>th</sup> February at 8:50am.**

### Parents of pupils in S4, S5 and S6 – Supported Study

This week concluded our three weeks of *Bridging the Gap* classes - targeted Supported Study to help identified young people, post-prelims.

From **Monday, 23<sup>rd</sup> February**, our *Universal* Supported Study offer commences. This is open **to all learners** in S4, S5 and S6 for the **five weeks** leading up to the Easter break.

These lessons run for an additional hour every Monday, Tuesday, Thursday and Friday after the normal school day and they are organised based on timetable columns (Tuesday and Thursday) with Monday and Friday being flexible for all subjects.

**There is something for everyone.**

Young people will be reminded of what is on offer via their year Teams pages, year group assemblies and daily tannoy announcements, as well as via their class teachers regularly.

Can I ask that you actively encourage the young person in your care to take advantage of this additional tuition in the lead up to the SQA examinations.

It really does make a difference.

If you require further information, please contact the Pupil Support Teacher for your child's year group in the normal way.

If you wish to discuss your child's learning or wellbeing, please get in touch with their Pupil Support Teacher or their Year Head, you can also contact me directly using the details on the top of this letter; you do not need to wait until a scheduled event to communicate or to meet with key staff.

I thank you as always for your fantastic support of our school and I wish you a lovely long weekend with your families.

Take care for now.

Brian McDermott
