Dear Parent/Carer,

I hope my letter finds you and yours well.

I am writing to confirm, following the letter from the Executive Director of Education last week, that due to national industrial action, school will be closed for pupils on Tuesday, 28th February and Wednesday, 1st March 2023.

I appreciate that some of the recent press coverage around this issue may have confused matters slightly; however, the Executive Director's information last week is still applicable in our context.

We return to school on **Thursday, 2nd March at 8:50am.**

Kind regards,

Brian McDermott
