Dear Parent/Carer,

As we approach the end of the SQA exam diet, I wanted confirm arrangements for our new S5 cohort's return to school. New S5 pupils will return to school at **10am on Wednesday, 4th June**. Your son/daughter will be issued with their S5 timetable which they will follow until the end of this term. We will review your son/daughter's S5 subject choices in August following SQA certification to ensure that their provisional options are still appropriate and the best fit as they progress to S5.

As senior phase pupils, I expect our new S5 to be the standard-bearers for our school in all aspects of school life. A key element of this includes wearing full school uniform, integral to which is our school blazer. Thank you for your support in ensuring that your son/daughter comes to school each and every day in full school uniform.

If you experience any difficulties in meeting our school uniform requirements, please do not hesitate to contact Miss Crumlin or myself. Please be assured, we will do everything we can to support you in this matter.

I would like to take this opportunity to thank you for your continued support in upholding the high standards and expectations we have for our young people.

Best wishes,

Brian Gallagher
