17 November 2023

Dear Parent/Carer,

### Prelim Exam Diet 2023

This year's prelim examination diet will commence on **Monday 27<sup>th</sup> November and will conclude on Friday 8<sup>th</sup> December**. Learners in S4, S5 and S6 have been issued with a prelim timetable with full details of dates and times of exams. A copy of this timetable is attached for your reference.

During this two-week period, **all learners in S4, S5 and S6 who are studying one or more National 5 qualification will be granted study leave**. Alternative arrangements for those young people not undertaking any National 5 qualifications this session will be communicated by Year Heads in due course.

Any young person who does not have access to a quiet space at home to study and who wishes to come into school to revise during this two-week period is welcome to do so. **However, they must contact their Year Head via email in advance to make these arrangements. Please note, all young people must be in full school uniform when in school for exams, study sessions or at any other time.** I would like to take this opportunity to wish our senior pupils every success in their forthcoming prelim examinations.

Yours faithfully,

Brian Gallagher  
SQA Coordinator
